AIB CREDIT BALANCE AUTHORIZATION

This form is used to authorize AIB to not only apply Title IV funds for charges beyond federally allowable expenses, but for AIB to hold credits from all sources on the student account to pay for any future or miscellaneous charges unless a refund is requested.

- Title IV funds are federal funds that are used to pay tuition, fees, room and board.
 - Federal funds consist of the Federal Pell Grant, Federal SEOG Grant, Federal Direct Loans, Federal Perkins Loans and the Federal Direct PLUS loan.
- Federal funds in excess of these charges must be refunded to the student, unless AIB is authorized by the student to hold those funds on the student account for other charges (i.e. library fees, fines, etc.).
- AIB may use up to \$200 of Title IV funds to cover prior-year and prior-term charges for tuition, fees, housing, and other AIB charges.
- AIB may use excess funds to pay for future term charges within the academic year.

(Check one box)

I authorize AIB to hold and/or apply excess Federal Title IV financial aid funds as well as funds from all payment sources to all charges on my student account for future terms in the academic year. I agree that in order to receive any credit balance created by federal financial aid funds and all payment sources, I must make a request to the Business Services Office.

I do not authorize AIB to hold my credit balance and understand that any credits will be refunded to me within 14 days of loan disbursement. I understand I will be responsible for additional charges to my account.

I understand that this authorization is voluntary and will remain valid until the completion of the 2012-2013 academic year. I further acknowledge that I may rescind this decision at any time by submitting a written request.
