

This textbook information is correct, as we know it, as of this date. Changes to course number, ISBN or price may be made at any time, up to and including the first few weeks of the term for which these numbers have been provided. If your book is not listed, the Bookstore has not yet received a request from the department and/or faculty.

The information provided on this website is intended for use when shopping at the Eagle's Landing Bookstore and is not meant as a guarantee for purchases made other than at the Eagle's Landing Bookstore. For this reason, please note that the Eagle's Landing Bookstore will not make exchanges, refunds, or any compensation for books mistakenly purchased from any other source utilizing the information on this website. Used or International versions available on the outside market may not contain all content or components you will be required to use. If you purchase elsewhere, you run the risk of not purchasing the EXACT textbooks and supplements adopted by the instructor. Your instructor then has the right to require you to also purchase the bookstore version.

Textbooks purchased at the Eagle's Landing Bookstore may be returned or exchanged within the guidelines listed under our Return Policy.
